Our Families

The Gilda's Toronto Family Camp offers members the chance to engage in a community of shared experience while creating memories, connections and a legacy as a family.

This overnight family camp experience will bring families together in a shared form and offer them the opportunity to build meaningful relationships that last outside of Gilda's Toronto.

2023 Dates:

Saturday, May 27 to
Monday, May 29

We are a place:

- ✓ Where we prepare for each individual family's needs as a welcome member of our camp.
- ✓ Where we "MODIFY" as we go, working with your family to provide the best experience possible.
- ✓ Where we serve kid-friendly Family Style Food and take care of your dietary needs!

In cooperation with Gilda's Toronto

Gilda Radner believed that no one should face cancer alone but instead have access to complete psychosocial cancer support. Gilda's Toronto opened in 2001 with the purpose of helping people live, while living with cancer. We provide 600+ programs, including support groups, healthy lifestyle programs, education workshops, bereavement support and social events, to adults, children and families. Services are delivered by licensed mental health professionals and skilled subject experts.

Camp Maple Leaf

Founded in 1955. Camp Maple Leaf is a charitable organization that gives children of Canadian Military Families and children who share similar unique life challenges a camp to call their own. Camp Maple Leaf supports and celebrates them for who they are, and fosters friendships that follow them home.
